A WORLD CLASS RUGBY EXPERIENCE

Since 2005 Stellenbosch Rugby Academy specializes to train professional rugby players, coaches, game analysts and referees. So far we had more than 40 provincial and international players.

The **SRA campus** is located in the security estate, MT Simon and consists of 20 fully furnished student houses accommodating 100 students. Our campus has full facilities, including a hall, lecture rooms, gymnasium / physio room, training field, swimming pool, recreation and dining hall, braai facilities and office.

EXCHANGE PROGRAMME

We want to send some of our **promising players** for an Exchange programme to overseas Clubs or Academies for the off-season or certain period, while the overseas players come to Stellenbosch Rugby Academy for the same /other period.

The **Club** will arrange accommodation, club kit, transport and food - and we will do the same here. The spending money and flight costs will be for the player's account, but assistance can be considered depending on the club and player needs.

Clubs can now source players from the Academy, especially during the time **September – March**.
